# Bartlett Middle School 2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year) 

General Information about the School Accountability Report Card (SARC)

SARC Overview

## DataQuest

## California School Dashboard

## Internet Access

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

## The California School Dashboard (Dashboard)

https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

Principal's Message
Bartlett Middle School is an exciting and energetic campus that serves 7th and 8th grade students. The focus of our school community is student achievement and participation. With this in mind, Bartlett staff has developed an academic culture where success and improvement are valued. The campus leadership has developed a plan that encourages innovation and experimentation based on school reform research, which blends solid curricular and instructional improvement with necessary motivational and engagement strategies. The staff clearly looks forward to the further development of standards-based instruction through the use of Common Core State Standards (CCSS) and project-based learning. The staff also continues to refine its use and understanding of Professional Learning Communities.

Bartlett Middle School continues to use a traditional seven-period schedule focused on data and standards driven instruction in all academic areas. All staff is committed to providing a welcoming atmosphere and strategic learning opportunities for all students. The 2021.2022 school year should see much of the same with a greater emphasis on the Mathematics and English curricula. Regular student activities, integrated curriculum, and school/home communication are the strengths of our middle school.

Bartlett Middle School is dedicated to the promotion of excellence in achieving standards in a climate of integrity, positive human relations, and respect for our society. The mission of Bartlett Middle School is to provide students a dynamic, engaging, and effective educational experience that prepares them with the skills to be productive citizens in a global society.

Community \& School Profile
Porterville, lying along the foothills of the Sierras, is located on State Highway 65, 165 miles north of Los Angeles, and 171 miles east of the Pacific Coast. Centrally located to major markets, the city has strategic access to major transportation routes. Porterville Unified School District serves over 14,000 students throughout the community, as well as the community of Strathmore. The district is comprised of ten elementary schools, three middle schools, four comprehensive high schools, three dependent charter schools, one continuation high school, and one alternative site.

Bartlett Middle School serves students in grades seven and eight on a traditional calendar schedule. The curriculum is based on improving literacy and mathematical comprehension, with special emphasis placed on cultural awareness. Diverse literature

## A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Porterville Unified School District held a Public Hearing on August 24, 2023 and determined that each school has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. The chart below displays data collected regarding textbooks in use during the 2021-2022 school year.

## School Facility Conditions and Planned Improvements

Bartlett Middle School, originally constructed in 1938, is currently comprised of 26 classrooms (including portables), a band room, a maker space, a music room, a library, one computer lab, one staff room, one multipurpose room, one athletic field, and the main office. In 1997, the main office and restrooms were fully remodeled and the multi-purpose room was constructed. During the 2017 school year construction of the Lobby was completed.

## Cleaning Process

The school provides a safe and clean environment for students, staff, and volunteers. The district governing board has adopted cleaning standards for all schools in the district. Basic cleaning operations are performed on a daily basis throughout the school year with emphasis on classrooms and restrooms. A joint effort between students and staff helps keep the campus clean and litter-free. The principal works with two full time custodians to develop sanitation schedules that ensure a clean, safe, and functional learning environment.

## Maintenance \& Repair

A scheduled maintenance program is administered by the school's custodial staff on a regular basis, with heavy maintenance functions occurring during vacation periods. Additionally, a scheduled maintenance program is administered by the district to ensure that school grounds and facilities remain in excellent repair. A work order process is used when issues arise that require immediate attention. Emergency repairs are given the highest priority; repair requests are completed efficiently and in the order in which they are received. At the time of publication, $100 \%$ of the school's restrooms were in working order.

## B. Pupil Outcomes

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

## Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

## College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.
Science test results include the CAST and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. ## C. Engagement

## State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

## 2023-24 Opportunities for Parental Involvement

Parents and guardians have the right and should be given the opportunity to work in a mutually supportive and respectful partnership with the school to help their child succeed. Additionally, the school has a School/Student/Parent compact. Parents and guardians can support their child's learning environment by:

- Monitoring school attendance
- Participating on the School Site Council (SSC) / District Advisory Committee (DAC)
- Being a Member of the English Learner Advisory Committee (ELAC) / District Learner English Advisory Committee (DELAC)
- Participating in the PIQE program
- Participating in extracurricular activities
- Volunteering at school
- Attending Parent Nights and informational meetings
- Monitoring and regulating television viewing and social media sites
- Planning and participating in activities at home that are supportive of classroom activities

## Contact Information

Parents who wish to participate in the school's leadership teams, school committees, school activities, or become a volunteer may contact the main office at 559.782 .7100 . All volunteers are required to undergo a fingerprint clearance. The district's website (www.portervilleschools.org) also provides a variety of helpful resources and information for parents, students, staff, and community members.

## 2023-24 School Safety Plan

Safety of students and staff is a primary concern of Bartlett Middle School. Teachers, campus supervisors, and administrators supervise students on campus before and after school. During lunch and passing periods, campus supervisors, administrators, and class assistants monitor students. All visitors must sign in at the school office and receive proper authorization to be on campus. Visitors are asked by the staff to display their pass at all times. All staff is required to wear identification badges and campus supervisors wear high-visibility safety vests.

The School Site Safety Plan is continually updated and revised as needed by the Safety Committee and was recently reviewed and approved on November 20th, 2023 by the School Site Council. Key elements of the plan focus on emergency preparedness. The school is in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Emergency drills are held on a regular basis; fire, earthquake, and lock-down drills are held on a rotating basis.

For the safety of our students, all volunteers are fingerprinted and cleared through the Department of Justice. Appointments for fingerprints are made through the school secretary after an interview with the principal or his designee. Anyone entering campus is also signed in at the front desk using the Raptor system. The Raptor system scans government ID cards, such as a driver's license, and creates a customized visitor sticker, complete with a picture, that the visitor wears while on campus.

## Professional Development

A constructive evaluation process promotes quality instruction and is a fundamental element in a sound educational program. Evaluations and formal observations are designed to encourage common goals and to comply with the state's evaluation criteria and district policies. Temporary and probationary teachers are evaluated annually and tenured teachers are evaluated every other year.

Evaluations are conducted by site administrators, who have been trained and certified for competency to perform teacher evaluations. Evaluation criteria includes the following:

- Engaging and Supporting All Students in Learning
- Understanding and Organizing Subject Matter for Student Learning
- Assessing Student Learning
- Creating and Maintaining Effective Environments for Student Learning
- Planning Instruction and Designing Learning Experiences for all Students
- Developing as a Professional Educator

Staff members build teaching skills and concepts through participation in conferences and workshops throughout the year. For the past three years, the district has offered five district wide staff development days.

Wednesdays are early release days designated as site staff development days with 3-6 days being District-wide staff development days. During this time, teachers are offered a broad-based variety of professional growth opportunities in curriculum, instruction, and assessments. School-wide focus will include aligning instruction with CC shifts, motivating and inspiring students, Illuminate, instructional rounds, and meeting Progress Adviser instructional goals. Teachers also use Professional Learning Communities that meet regularly to review data and discuss student needs, and to plan instruction and assessment. District instructional coaches offer classroom services as additional professional development.

For additional support in their profession, teachers may enlist the services of the district's Beginning Teacher Induction Program (TIP) facilitator and/or the IMPACT program.

This table displays the number of school days dedicated to staff development and continuous improvement.
