### Principal's Message:

I want to welcome you to Citrus! For reasons personal to you, your educational and life journey has brought you to our school. Please know that the entire Citrus community is committed to helping you. It is our desire that your time at Citrus will be a rewarding experience that is filled with dynamic learning, rich experiences and life-long relationships. We wholeheartedly want to work with you and for you. The school's entire staff has purposed as a team to inspire, motivate, empower and equip you with the necessary skills so that you can grow, develop, learn and graduate. Citrus offers a unique and challenging program as we offer the necessary core and elective classes that you will need to graduate. With this in mind, please know that we expect each and every student to accept responsibility for their own learning and to understand that great effort will be required while enrolled at Citrus. We also expect that parents will be positive participants in the lives of their children and that they will work harmoniously with the school. Let me encourage you in saying that I believe that Citrus High School will be a blessing to you and your family this school year. Again, welcome to Citrus and may this school year be your most successful and memorable yet.

### Mission Statement:

Citrus High School strives to provide inspiration, motivation, and education in a safe, supporting, and rigorous learning environment while empowering students to become productive and responsible citizens.

### Community & School Profile:

Citrus High School is a continuation high school with a great history and a very rich tradition—located in Porterville, California. CHS has become known as “the school the students have built” as students and staff members are very involved in projects and community service. Based on a school-wide philosophy of individual accountability and personal responsibility, along with a commitment to maintain an atmosphere in which all students feel significant, connected, resourced and empowered, the CHS community is tight-knit and proud. Porterville Unified School District (PUSD) is the largest geographic district in Tulare County. It is located in the south east portion of Tulare County. This district serves the city of Porterville (population 53,000), the Tule Indian Reservation, and many small farming and mountain communities in the surrounding area—many of which have K-8 districts that feed into the high schools of PUSD. There are an estimated 85,000 people residing within the boundaries of the District which serves more than 14,000 students with some traveling an hour or more one way to get to high school. During the 19-20 school year, CHS had 305 active and inactive students. The economic base is predominately agriculture, farming, livestock and forestry, with some independent and family owned businesses, and several large corporate employers in the city of Porterville. The area served by the District is primarily residential, agriculture and forest land, and composed of a population that is racially, ethnically, linguistically and economically diverse. The district is comprised of ten elementary schools, three middle schools, four comprehensive high schools, three dependent charter schools, one continuation high school, and one alternative site. Citrus High School (CHS) is the only continuation high school within the District.

Students attending CHS are referred and transferred from one of the District high schools, Tulare County court schools, juvenile hall or an out of district program due to lack of credits, poor behavior, poor attendance, and/or transient lives. Juniors make up the bulk of the school population followed by seniors and the smallest group being the sophomores. Citrus High School's students must be 16 years old, or older, and students are only referred if they are significantly behind in credits, academic skills and/or have poor attendance and/or poor behavior. All students, with a parent or guardian present, attend an intake meeting/orientation at CHS two days prior to the first day of attendance. This intake meeting allows parents and students to become familiar with the school culture, program, requirements and expectations. At that time, students and parents are given a student-parent handbook, an enrollment packet and a power point introduction that is facilitated by the principal, academic counselor and intervention teacher. CHS has a transient population that fluctuates throughout the school year—a low of 150 students in a semester and a high of 250 students in a semester. It is not unusual for as many as 400 individual students to enroll in CHS at any particular time during the school year—even if it be for a very short period of time. The largest ethnic group on campus, Hispanic, makes up about 75% of the student population with the second largest group being Caucasian, at around 15%. The remaining student body can be broken down into Native American, at 5-10%, and all others making up less than 5%. The gender distribution tends to be at a 2:1 ratio of male to female and, at times, moves closer to 3:1.

### About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### A. Conditions of Learning

#### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

Porterville Unified School District held a Public Hearing on August 27, 2020 and determined that each school has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. The chart below displays data collected in August 2020, regarding textbooks in use during the 2020-21 school year.

#### Textbooks and Instructional Materials

Year and month in which data were collected: August 2020

### School Facility Conditions and Planned Improvements (Most Recent Year)

Citrus High was originally constructed in 1995 and is currently comprised of nine classrooms, a Library Media Center, a Literacy Lab, one staff room, one athletic field, and the main office. In 2008-09, two SmartBoards were added to the campus. The chart displays the results of the most recent school facilities inspection, provided by the district in July 2020.

#### Cleaning Process

The school provides a safe and clean environment for students, staff, and volunteers. The district governing board has adopted cleaning standards for all schools in the district. Basic cleaning operations are performed on a daily basis throughout the school year with emphasis on classrooms and restrooms.

A joint effort between students and staff helps keep the campus clean and litter-free. The principal works daily with the custodian to develop sanitation schedules that ensure a clean, safe, and functional learning environment.

#### Maintenance & Repair

A scheduled maintenance program is administered by the school's custodial staff on a regular basis, with heavy maintenance functions occurring during vacation periods. Additionally, a scheduled maintenance program is administered by the district to ensure that school grounds and facilities remain in excellent repair. A work order process is used when issues arise that require immediate attention. Emergency repairs are given the highest priority; repair requests are completed efficiently and in the order in which they are received. At the time of publication, 100% of the school's restrooms were in working order.

### School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

**Year and month in which data were collected: July 2020**

<b>External:</b> Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	
<b>Overall Rating</b>	<b>Good</b>	Our custodian will submit work orders to the district maintenance department.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

##### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 18-19	School 19-20	District 18-19	District 19-20	State 18-19	State 19-20
ELA	5	N/A	44	N/A	50	N/A
Math	0	N/A	28	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: The new California Science Test (CAST) was first administered operationally in the 2018-2019 school year.

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2020-21)

Parents and guardians have the right at CHS to work in a mutually supportive and respectful partnership with the school to help their child succeed. Parents are actively involved on the School Site Council Committee, English Language Acquisition Committee, District level LCAP meetings and the Parent/Student BBQ. Citrus High School holds various meetings (i.e. intake meetings, Quarterly Fun Days, Back to School, Open House, Thanksgiving lunch celebration, Christmas lunch celebration, etc.) throughout the year. Meetings are offered in Spanish, to ensure that the lines of communication remain open. Parents and guardians are encouraged to support their child's learning environment by:

- Monitoring school attendance
- Participating in extracurricular activities
- Monitoring and regulating life choices
- Planning and participating in activities at home that are supportive of classroom activities
- Volunteering at the school
- Participating in decision-making processes by attending the School Site Council meetings

#### Contact Information:

Parents who wish to participate in the school's leadership teams, school committees, school activities, or become a volunteer may contact the main office at (559) 782-7130. The PUSD website ([www.portervilleschools.org](http://www.portervilleschools.org)) also provides a variety of helpful resources and information for parents, students, staff, and community members.

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan (School Year 2020-2021)**

The safety of students and staff is a primary concern of Citrus High School. Teachers and support aides supervise students on campus before, during and after school—including break and lunch. All visitors must sign in at the Administration office and receive proper authorization to be on school grounds. The School Site Safety Plan was most recently revised in October by the Safety Committee. Key elements of the plan focus on emergency preparedness. The school is in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Emergency drills are held on a regular basis; fire drills are held quarterly and other drills (i.e. earthquake, hazardous material, etc.) are held twice a year. For the safety of CHS students, all volunteers are fingerprinted and cleared through the Department of Justice, and screened and interviewed by site administration. Additionally, all appointments are made with the school secretary.

The School Safety Plan was approved in the Fall of 2020.

**Suspensions and Expulsions**

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	36.2	28.5	4.9	5.0	3.5	3.5
Expulsions	3.1	1.2	0.5	0.2	0.1	0.1

**Suspensions and Expulsions for School Year 2019-2020 Only**

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	33.3	3.3	
Expulsions	0.0	0.2	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

**D. Other SARC Information**

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

**Ratio of Pupils to Academic Counselor (School Year 2019-2020)**

Title	Ratio

\*Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

### Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	5	5	5

A constructive evaluation process promotes quality instruction and is a fundamental element in a sound educational program. Evaluations and formal observations are designed to increase student achievement and comply with the State's evaluation criteria and District policies. Temporary and probationary teachers are evaluated annually and tenured teachers are evaluated every other year.

Evaluations are conducted by site administrators, who have been trained and certified for competency to perform teacher evaluations. Evaluation criteria includes the following:

- Engaging and Supporting all Students in Learning
- Understanding and Organizing Subject Matter for Student Learning
- Assessing Student Learning
- Creating and Maintaining Effective Environments for Student Learning
- Planning Instruction and Designing Learning Experiences for all Students
- Developing as a Professional Educator

Staff members build teaching skills and concepts through participation in conferences and workshops throughout the year. For the past three years, the district has offered five staff development days. During this time, teachers are offered a broad-based variety of professional growth opportunities in curriculum, teaching strategies, and methodologies. The school uses the Best Practices teaching strategies and teachers are trained in the techniques each year. For additional support in their profession, teachers may enlist the services of the district's Teacher Induction Program facilitator and/or the IMPACT program.

### Career Technical Education Programs

Citrus High School offers career units in various subject areas to help prepare students for the work force. Students may request assignment to a specific area for concentrated field work. Students may take Horticulture and Nursery Practices courses taught at CHS as well as Media Arts courses as part of the school's Career/Technical Education (CTE) curriculum.

The following is a listing of the CTE classes that are offered on campus:

- Journalism
- Greenhouse Management
- Media Arts
- Video Production
- Fundamentals of Programming and Software Development
- Introduction to Computer Science
- Business Finance

All of the above-listed courses incorporate state-adopted CTE model curriculum standards, and are evaluated through a combination of student projects, testing, and performance/attendance.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
