Principal's Message:

Porterville Military Academy (PMA) will develop 21st Century leaders who will be agents of change in business, politics, the community and public service. PMA offers an A-G aligned curriculum with the goal of preparing all cadets for college and career. The unique design and small learning environment provides cadets an academically rigorous, safe and supportive learning environment. The Academy espouses a leadership theme throughout the campus. Under a pathway of leadership, cadets learn attributes of great leaders and then put these lessons into action in the classroom, in the community and during cadet training. At PMA, cadets, teachers, and staff take part in ensuring the smooth operation of the school, and strive to better our community. Our collective goal is to develop 21st Century leaders who will be agents of change in business, politics, and public service. Hence our motto, "Leaders Forged Here."

Our Mission:

Porterville Military Academy will provide realistic, applied leadership opportunities in a rigorous academic setting. We will mold civic-minded professionals who are committed to serve others utilizing the guiding principles of the Academy's four pillars: Leadership by Example, Academic Excellence, Civic Responsibility, Physical Fitness, & Personal Well being. We will develop tomorrow's business, civic and public service leaders. Upon graduation, PMA cadets will possess the skills, knowledge, and strength of character to enter any institute of higher education, industry or public service and be positioned to make a positive contribution in a dynamic global society.

Community and School Profile:

Porterville Military Academy (PMA) opened on August 8th, 2018 and is the third charter school within the Porterville Unified School District (PUSD). It currently serves grades 7, 8, 9, 10 and 11th but will expand to serve grades 6 - 12 on a traditional calendar schedule. The Academy is an open choice school serving the greater Porterville area. It is aligned with the California Corps of Cadets for all military instruction.

It is located in Porterville directly off Highway 65, 165 miles north of Los Angeles, and 171 miles east of the Pacific Coast. Porterville Unified School District serves over 14,000 students including Strathmore. The district is comprised of ten elementary schools, three middle schools, four comprehensive high schools, three dependent charter schools, one continuation high school, and one alternative site. During the 19-20 school year, 179 students were enrolled at the school.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

Porterville Unified School District held a Public Hearing on September 12, 2019 and determined that each school has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. The chart below displays data collected in August 2019, regarding textbooks in use during the 2019-20 school year.

School Facility Conditions and Planned Improvements (Most Recent Year)

Porterville Military Academy (PMA) opened on August 8th, 2018 and is the third charter school within the Porterville Unified School District (PUSD).

Cleaning Process:

The school provides a safe and clean environment for students, staff, and volunteers. The district governing board has adopted cleaning standards for all schools in the district. Basic cleaning operations are performed on a daily basis throughout the school year with emphasis on classrooms and restrooms. A joint effort between students and staff helps keep the campus clean and litter-free. The principal works with two full time custodians to develop sanitation schedules that ensure a clean, safe, and functional learning environment.

Maintenance & Repair

A scheduled maintenance program is administered by the school's custodial staff on a regular basis, with heavy maintenance functions occurring during vacation periods. Additionally, a scheduled maintenance program is administered by the district to ensure that school grounds and facilities remain in excellent repair. A work order process is used when issues arise that require immediate attention. Emergency repairs are given the highest priority; repair requests are completed efficiently and in the order in which they are received. At the time of publication, 100% of the school's restrooms were in working order.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Math	18	N/A	28	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Parents and the community are very supportive of the educational programs in the Porterville Unified School District.

Parents and guardians are always welcome on campus and can support their child's learning by:

- 1) Monitoring School attendance
- 2) Participating in the extra-curricular activities
- 3) Monitoring and regulating television viewing and other electronic distractions
- 4) Planning and participating in activities at home that are supportive of classroom activities
- 5) Volunteering at school
- 6) Participating in decision-making processes by attending School Sponsored and Cadet events.

Contact Information

Parents who wish to participate in the school's leadership teams, committees, school activities, or become a volunteer may contact the main office at (559) 782-7300. The district's website (www.portervilleschools.org) also provides a variety of helpful resources and information for parents, students, staff, and community members.

Starting in the school year, parents will have the opportunity to participate in our School Site Council & English Learner Advisory Committee meetings. Continued from the 19-20 school year, parents are asked to attend our District Local Control Accountability Plan(LCAP) meetings where they participate in updating the District goals. For the safety of our students, all volunteers are fingerprinted and cleared through the Department of Justice. Appointments are made with the school secretary.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

The safety of students and staff is a primary concern of Porterville Military Academy teachers and administrators supervise students on campus before and after school and during breaks, while NCO staff monitor students during the lunch break. All visitors / volunteers must sign in at the front desk and receive proper authorization to be on campus. Visitors / volunteers are asked by the staff to display their pass at all times. All volunteers are fingerprinted and cleared through the Department of Justice.

As a new school we have been developing our safety plan with the Military staff as the lead. The School Site Safety Plan was most recently reviewed in Fall 2020 by the Safety Committee. Key elements of the plan focus on emergency preparedness. The school is in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Emergency drills are held once a month, earthquake drills are twice a year, and secure campus drills are conducted once each year.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Suspensions		27.6	4.9	5.0	3.5	3.5
Expulsions		1.1	0.5	0.2	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	8.8	3.3	
Expulsions	0.0	0.2	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

A constructive evaluation process promotes quality instruction and is a fundamental element in a sound educational program. Evaluations and formal observations are designed to encourage common goals and to comply with the state's evaluation criteria and district policies. Temporary and probationary teachers are evaluated annually and tenured teachers are evaluated every other year. Teachers have access to our District Curriculum Coaches and on-site professional development and further coaching as needed.

Evaluations are conducted by site administrators, who have been trained and certified for competence to perform teacher evaluations. Evaluation criteria include the following:

- Engaging and Supporting all students in learning
- Understanding and organizing subject matter for student learning
- Assessing student learning
- Creating and maintaining effective environments for student learning
- Planning instruction and designing learning experiences for all students
- Developing as a professional educator
- ELD 3D training

Staff members work in a Professional Learning Committee to build teaching skills and concepts through participating in professional development that focus on improving instruction and assessment. Teacher collaboration time is utilized during common prep and during early release Wednesdays. During this time, teachers are offered a broad-based variety of professional growth opportunities in curriculum, instruction, and assessments. School-wide focus will include aligning instruction with CC shifts, Motivating & Inspiring Students, Illuminate, Instructional Rounds and meeting Progress Adviser instructional goals. PUSD is currently transitioning and fostering change in the areas of Common Core, one to one technology and Linked Learning.

For additional support in their profession, teachers may enlist the services of the district's Teacher Induction Program (TIP) facilitator and/or the IMPACT program.

Career Technical Education Programs

California Cadet Corp 1 and 2 is offered to all 9th and 10th graders students and taught by CTE credentialed teachers. The mission of the California Cadet Corps (CACC) is to provide California schools and students with a quality educational and leadership development program that prepares students for success in college and the workforce. This mission is support by six core objectives: To develop Leadership, engender Citizenship, encourage Patriotism, foster academic excellence, teach basic Military knowledge and to promote health, fitness, and wellness.

All of the above-listed courses incorporate state-adopted CTE model curriculum standards, meet district graduation requirements. All courses are evaluated through a combination of student projects, testing, and performance/attendance.

The pathways respective advisory boards meet monthly. The membership consists of local business partners, mentors, PUSD and PMA personnel. The advisory boards functions independently from the school and serves as a supporting role, providing an opportunity for business and education to share ideas and create an educational environment designed to prepare students for college and career. This structure inherently produces an increased level of collaboration which helps students meet the demands of a dynamic 21st century job market. DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
