Principal's Message

It is with great pleasure that we present our 2018-19 School Accountability Report Card. Vandalia Elementary, home of the Vikings, is a campus where students, staff, and families work together to improve learning for all students.

Vandalia Elementary School is a place where children are at the heart of everything we do. Staff, students, and families are dedicated to providing quality work which is engaging, results in students learning meaningful content, and challenges every student to learn more. The staff focuses their energies on the school's vision and ensuring that our children develop the self-esteem and positive character needed to participate fully in our community of learners.

Our teachers and staff have tremendous passion for the students at Vandalia. That's evident based on the positive relationships that we have established with our community. Parents are our partners. We treasure all the ways families contribute to the success of our students: helping with homework, assisting teachers, working with school committees, communicating with their child's teacher, and sending their children to school prepared and excited to learn!

I am very pleased to serve students, families, and staff. I look forward to continued teamwork with the Vandalia learning community as we strive to increase learning and achievement for all.

Our Vision

Vandalia students will have the skills and knowledge to be prepared for college and career and to make a positive impact in a dynamic global society.

Our Mission

The mission of Vandalia Elementary is to provide students a dynamic, engaging and effective educational experience that prepares them with the skills to be productive citizens in a global society.

Community & School Profile

Porterville, lying along the foothills of the Sierras, is located on State Highway 65, 165 miles north of Los Angeles, and 171 miles east of the Pacific Coast. Centrally located to major markets, the city has strategic access to major transportation routes. Porterville Unified School District serves over 14,000 students throughout the community, as well as the town of Strathmore. The district is comprised of ten elementary schools, three middle schools, four comprehensive high schools, three dependent charter schools, one continuation high school, and one alternative site

Vandalia Elementary School serves students in grades kindergarten through fifth on a traditional calendar schedule. Curriculum is based on California State Common Core Content Standards. At the beginning of the 2018-19 school year, 587 students were enrolled at the school. Of the students enrolled, 70.36% were Hispanic or Latino and 29.64% were not Hispanic or Latino. In addition, students were reported by their parent/guardians as having the following ethnicity: Hispanic or Latino only (70.36%), White (9.03%), American Indian (13.80%), other Asian (1.87%), Black or African American (0.85%), Pacific Islander (0.51%) and Multi-Ethnic (2.90%). In addition to the general education classes, there are two special education classrooms at Vandalia.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Porterville Unified School District held a Public Hearing on September 12, 2019, and determined that each school has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. The chart below displays data collected in August 2019, regarding textbooks in use during the 2019-2020 school year.

Textbooks and Instructional Materials

Year and month in which data were collected: August 2019

School Facility Conditions and Planned Improvements (Most Recent Year)

Vandalia Elementary School originated in 1925 and the current campus has since undergone complete modernization. The most recent renovations to the campus included the construction of four new classrooms on the east side of campus and the removal of portable classrooms and restrooms. The school is currently comprised of 24 classrooms (including portables), a library, one STEAM Lab, one staff room, a cafeteria, two playgrounds, the main office, and one reading lab. The chart displays the results of the most recent school facilities inspection, provided by the district in August 2019.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	34	34	44	44	50	50
Math	38	26	27	28	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

2018-19 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6
5	14.1	24.2	22.2

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Parents and the community are very supportive of the educational programs in the Porterville Unified School District. Parents are also encouraged to participate on the School Site Council, English Learner Advisory Committee, and the Parent Institute for Quality Education (PIQE) program. Also, parents are encouraged to volunteer at school by attending parent meetings, campus events, or assisting in their child's classroom.

Contributions by the following community partners add to the programs available at Vandalia School: Target, Wal-Mart, and the Tule River Indian Tribal Council.

Contact Information

Parents who wish to participate in the school's leadership teams, school committees, school activities, or become a volunteer may contact the main office at (559) 782-7260. The district's website (www.portervilleschools.org) also provides a variety of helpful resources and information for parents, students, staff, and community members.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The safety of students and staff is a primary concern of Vandalia Elementary School. Staff members supervise students on campus before and after school and during recess; noon duty supervisors monitor students during the lunch break. Fencing surrounds the entire campus. Entrance into the campus during school hours can only be done through the school office. All visitors must sign in at the principal's office and scan their IDs through the Raptor System to be on campus. Visitors are required to display their pass at all times.

The School Site Safety Plan was most recently revised in Fall 2019 by the staff, including campus administration and the school's resource officer. Key elements of the plan focus on emergency preparedness. The school is in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Emergency drills are held on a regular basis; fire drills are held once a month, earthquake drills are held twice a year and lockdown drills are held three times a year. Students in all grade levels have access to the internet and iPads for learning. An internet filter, staff supervision, and the Common Sense digital citizenship program equip students with tools to be safe while using technology. The school implements the PBIS (Positive Behavior Intervention Program) to teach students correct ways to conduct themselves in a variety of areas of the classroom and school campus. Students are recognized and rewarded for their positive behaviors.

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	5	5	5

A constructive evaluation process promotes quality instruction and is a fundamental element in a sound educational program. Evaluations and formal observations are designed to encourage common goals and to comply with the state's evaluation criteria and district policies. Temporary and probationary teachers are evaluated annually and tenured teachers are evaluated every other year.

Evaluations are conducted by site administrators, who have been trained and certified for competency to perform teacher evaluations. Evaluation criteria includes the following:

- Engaging and Supporting all Students in Learning
- Understanding and Organizing Subject Matter for Student Learning
- Assessing Student Learning
- Creating and Maintaining Effective Environments for Student Learning
- Planning Instruction and Designing Learning Experiences for all Students
- Developing as a Professional Educator

Staff members build teaching skills and concepts through participation in conferences and workshops throughout the year. For the past three years, the district has offered two staff development days. In addition, this year the district implemented an Early Release Schedule each Wednesday for staff collaboration and development. Teachers also collaborate with their grade level team weekly to build Project-Based learning units, Common Core units and lessons, and to evaluate learning through assessment data. The Learning Director meets with teachers, models lessons, and assists teachers with implementing shifts in teaching practices. Teachers also utilize the District Instructional Coaching Team for support in their teaching strategies. Staff meetings are also devoted to professional development in the areas of English Language arts and Mathematics teaching and learning methods.

During this time, teachers are offered a broad-based variety of professional growth opportunities in curriculum, teaching strategies, and methodologies. The school uses the Best Practices teaching strategies and teachers are trained in the techniques each year.

For additional support in their profession, teachers may enlist the services of the district's Beginning Teacher Induction Program (TIP) facilitator and/or the IMPACT program.

Types of Services Funded

In addition to general state funding, Porterville Unified School District received state and federal categorical funding for the following support programs:

- Title I, Basic Grant
- Title II, Teacher Quality & Technology
- Title III, Limited English Proficiency
- Title IV Student Support & Academic Enrichment
- Title VI— Indian, Native Hawaiian, and Alaska Native Education

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
