School Description

Principal's Message

Students that attend Vine Street Community Day School receive personalized instruction. In this setting, the academic instruction is designed as an individualized education program developed for each student based on his/her academic and social needs. By utilizing a variety of learning modalities, students' learning potential is maximized. Emphasis is placed upon the development of social as well as academic achievement. This knowledge-base is essential for students to master, allowing successful return to the traditional instructional setting.

Mission Statement

At Vine Street Community Day School, we believe every student has the right to a safe and quiet learning environment. Therefore, we have an obligation to create an environment in which students have the best opportunity to learn, and an obligation to counsel those who are not serious about their education. We also believe that open and honest communication between school and home is important in assuring a student's success at Vine Street Community Day School.

Community & School Profile

Porterville, lying along the foothills of the Sierras, is located on State Highway 65, 165 miles north of Los Angeles, and 171 miles east of the Pacific Coast. Centrally located to major markets, the city has strategic access to major transportation routes. Porterville Unified School District serves more than 13,000 students throughout the community, as well as the town of Strathmore. The district is comprised of ten elementary schools, three middle schools, four comprehensive high schools, one magnet academy, one continuation high school, and two alternative sites.

Vine Street Community Day School serves students in grades seven through twelve on a traditional calendar schedule. Curriculum is based on meeting the needs of students through a variety of teaching styles, integrating the curriculum when appropriate, and incorporating technology whenever possible. Special emphasis is placed on cultural awareness. Diverse literature selections and various multicultural observances promote a climate of tolerance and acceptance among students and faculty.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)

Porterville Unified School District held a Public Hearing on August 24, 2017 and determined that each school has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. The chart below displays data collected in August 2017, regarding textbooks in use during the 2017-18 school year.

School Facility Conditions and Planned Improvements (Most Recent Year)

Vine Street Community Day School was originally constructed in 1998 and expanded in the summer of 2004 to include a new classroom. The campus is currently comprised of three classrooms (including portables), a library, one computer lab, a garden, and one athletic field.

Since the school's opening, its students have assisted in the maintenance and cleaning of the school grounds as part of their respective rehabilitation plans, adding to their community service requirement of 20 hours. Renovations to the campus occur regularly due to student projects. A reading sanctuary has been added to the school's garden and a shed to house tools and supplies for the garden was constructed.

The students have also added horseshoe pits to the grounds for extracurricular recreation. The chart displays the results of the most recent school facilities inspection, provided by the district in July 2017

Cleaning Process

The school provides a safe and clean environment for students, staff, and volunteers. The district governing board has adopted cleaning standards for all schools in the district. Basic cleaning operations are performed on a daily basis throughout the school year with emphasis on classrooms and restrooms. A joint effort between students and staff helps keep the campus clean and litter-free.

Maintenance & Repair

A scheduled maintenance program is administered by the school's custodial staff on a regular basis, with heavy maintenance functions occurring during vacation periods. Additionally, a scheduled maintenance program is administered by the district to ensure that school grounds and facilities remain in excellent repair. A work order process is used when issues arise that require immediate attention. Emergency repairs are given the highest priority; repair requests are completed efficiently and in the order in which they are received. At the time of publication, 100% of the school's restrooms were in working order.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

| CAASPP Test Results in Science for All Students | | | | | | |
|---|--|-------|----------|-------|-------|-------|
| Subject | Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards) | | | | | |
| | School | | District | | State | |
| | 14-15 | 15-16 | 14-15 | 15-16 | 14-15 | 15-16 |
| Science | -- | 10 | 37 | 40 | 60 | 56 |

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

| 2016-17 CAASPP Results for All Students | | | | | | |
|---|--|-------|----------|-------|-------|-------|
| Subject | Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11) | | | | | |
| | School | | District | | State | |

| ELA | | 0 | 37 | 39 | 48 | 48 |
| Math | | 0 | 21 | 23 | 36 | 37 |

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

| 2015-16 CAASPP Results by Student Group Science (grades 5, 8, and 10) | | | | |
|--|--------------------|-------------------|---------------------|------------------------|
| Group | Number of Students | | Percent of Students | |
| | Enrolled | with Valid Scores | w/ Valid Scores | Proficient or Advanced |
| All Students | 17 | 10 | 58.8 | 10.0 |
| Male | 12 | 7 | 58.3 | 14.3 |
| Hispanic or Latino | 14 | 9 | 64.3 | 11.1 |
| Socioeconomically Disadvantaged | 17 | 10 | 58.8 | 10.0 |

- * Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The “Proficient or Advanced” is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

Parents and the community are very supportive of the educational programs in the Porterville Unified School District. Students are strongly encouraged to volunteer in community activities and organizations, such as the STEP-UP and local churches.

Parents and guardians are always welcome on the Vine Street Community Day School campus and can support their child’s learning environment by:

- Monitoring school attendance
- Participating in extracurricular activities
- Monitoring and regulating television viewing
- Volunteering at school
- Planning and participating in activities at home that are supportive of classroom activities

Contact Information

Parents who wish to participate in the school’s leadership teams, school committees, school activities, or become a volunteer may contact the main office at (559) 782-6650. The district’s website (<http://www.portervilleschools.org>) also provides a variety of helpful resources and information for parents, students, staff, and community members.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The safety of students and staff is a primary concern of Vine Street Community Day School. Teachers supervise students on campus before and after school, while noon-duty supervisors monitor students during the lunch break. Visitors are limited to parents only, who must sign in at the Principal’s office and receive proper authorization to be at the school. Visitors are asked by the staff to display their pass at all times.

The School Site Safety Plan was most recently revised in fall 2014 by the Safety Committee. Key elements of the plan focus on emergency preparedness. The school is in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Emergency drills are held on a regular basis; fire drills are held once a month, earthquake drills are held twice a year, and secure campus drills are conducted once each year.

* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Professional Development provided for Teachers

A constructive evaluation process promotes quality instruction and is a fundamental element in a sound educational program. Evaluations and formal observations are designed to encourage common goals and to comply with the state's evaluation criteria and district policies. Temporary and probationary teachers are evaluated annually and tenured teachers are evaluated every other year.

Evaluations are conducted by site administrators, who have been trained and certified for competency to perform teacher evaluations. Evaluation criteria includes the following:

- Engaging and Supporting all Students in Learning
- Understanding and Organizing Subject Matter for Student Learning
- Assessing Student Learning
- Creating and Maintaining Effective Environments for Student Learning
- Planning Instruction and Designing Learning Experiences for all Students
- Developing as a Professional Educator

Staff members build teaching skills and concepts through participation in conferences and workshops throughout the year. For the past three years, the district has offered two staff development days.

During this time, teachers are offered a broad-based variety of professional growth opportunities in curriculum, teaching strategies, and methodologies. The school uses the Best Practices teaching strategies and teachers are trained in the techniques each year.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
