West Putnam Elementary School 2023-2024 School Accountability Report Card (Published During the 2024-2025 School Year)

General Information about the School Accountability Report Card (SARC)

| Admission Requirements for the University of California (UC) | Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at https://admission.universityofcalifornia.edu/ . |
|---|---|
| Admission Requirements for the California State University (CSU) | Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <u>https://www2.calstate.edu/</u> . |

2024-25 School Description and Mission Statement

Principal's Message

It is with great pleasure that we present our 2024-2025 School Accountability Report Card. West Putnam Elementary, home of the Eagles, is a campus where students, staff, and families work together to improve learning for all students.

West Putnam Elementary School is a place where children are at the heart of everything we do. Staff, students, and families are dedicated to providing quality work that is engaging, results in students learning meaningful content, and challenges every

student to learn more. The staff focuses their efforts to support the school and district vision while ensuring that our children develop the self-esteem and positive character needed to participate fully in our community of learners.

Our teachers and staff have a tremendous passion for the students at West Putnam. That's evident based on the positive relationships that we have established with our community. Parents are our partners. We treasure all the ways families contribute to the success of our students: helping with homework, assisting teachers, working with parents, and other school committees, communicating with their child's teacher, and sending their children to school prepared and excited to learn!

School Vision Statement

The vision of the West Putnam is to empower students to be competent, confident, compassionate, bilingual/biliterate collaborators who have a deep multicultural understanding and demonstrate high academic achievement in more than one language.

School Mission Statement

The mission of West Putnam Elementary School is to provide students with a dynamic, engaging, and effective educational experience that will allow them to be bilingual/biliterate and prepares them with the skills to be productive citizens in a global society. All students will also develop a sociocultural competence and bilingual identity so that they can positively impact our diverse world.

Community & School Profile

Porterville, lying along the foothills of the Sierras, is located on State Highway 65, 165 miles north of Los Angeles, and 171 miles east of the Pacific Coast. Centrally located in major markets, the city has strategic access to major transportation routes. Porterville Unified School District serves over 14,000 students throughout the community, as well as the town of Strathmore. The district is comprised of ten elementary schools, three middle schools, four comprehensive high schools, three dependent charter schools, one continuation high school, and one alternative site.

West Putnam School serves students in grades transitional kindergarten through sixth on a traditional calendar schedule. The curriculum is based on improving reading and language arts skills, with special emphasis placed on cultural awareness. Diverse literature selections, a multicultural social studies curriculum, a Native American program, and various cultural celebrations promote a climate of tolerance and acceptance among students and faculty.

During the 2023-2024 school year, 488 students were enrolled at West Putnam. Our student population included 39.67% English Learners, 90.18% low socioeconomically disadvantaged, and 3.7% foster care.

The high quality of the educational programs at West Putnam School was recognized by the Western Association of Schools & Colleges through a six-year accreditation, ending in June 2013. West Putnam was the first elementary school in the state to be awarded this prestigious honor. West Putnam was accorded the distinguished TORCH achievement award from the Tulare Office of Education, for attaining academic growth through innovative programs and partnerships. In 2012, the school was received the Sustaining the Flame TORCH award for its ongoing academic growth achievement.

A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2024-25 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Porterville Unified School District held a Public Hearing on August 22, 2024 and determined that each school has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. The chart below displays data collected regarding textbooks in use during the 2024-2025 school year.

School Facility Conditions and Planned Improvements

West Putnam School was originally constructed in 1947 and has since undergone complete modernization. Landscaping and extensive renovations to six classrooms, the library, the main office, and the multi-purpose were completed in the summer of 2006. New playground equipment was also installed in 2007. As of 2013, the school has installed ceiling-mounted LED projectors and wall-mounted interactive whiteboards in each classroom, the STEAM lab, and the cafeteria.

The campus is currently comprised of 24 classrooms (including portables), one preschool room, one Reading room, one Resource classroom, a library, one STEM lab, one staff room, a supply room, a multi-purpose room (cafeteria), one uppergrade playground, one Kindergarten playground, one preschool playground, and the main office. The chart displays the results of the most recent school facilities inspection, provided by the district in June 2022. Construction for a two-story building and building to replace portable classrooms began in the summer of 2022. Completion of the two-story building is scheduled for the summer of 2023.

Cleaning Process

The school provides a safe and clean environment for students, staff, and volunteers. The district governing board has adopted cleaning standards for all schools in the district. Basic cleaning operations are performed on a daily basis throughout the school year with an emphasis on classrooms and restrooms. A joint effort between students and staff helps keep the campus clean and litter-free. The principal works daily with the custodial staff to develop sanitation schedules that ensure a clean, safe, and functional learning environment.

Maintenance & Repair

A scheduled maintenance program is administered by the school's custodial staff on a regular basis, with heavy maintenance functions occurring during vacation periods. Additionally, a scheduled maintenance program is administered by the district to ensure that school grounds and facilities remain in excellent repair. A work order process is used when issues arise that require immediate attention. Emergency repairs are given the highest priority; repair requests are completed efficiently and in the order in which they are received. At the time of publication, 100% of the school's restrooms were in working order.

| B. Pupil Outcomes | State Priority: Pupil Achievement |
|-------------------|-----------------------------------|
| | |

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
- 2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
- 3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

| Subject | School 2022-23 | School 2023-24 | District 2022-23 | District 2023-24 | State 2022-23 | State 2023-24 |

2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2023-24 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2024-25 Opportunities for Parental Involvement

Parents and the community are very supportive of the educational programs at West Putnam School. Parents play an active role in the community and at each school site through fundraising and special activities. Fundraisers have included school-wide Día de los Muertos/Fall Festival, Multicultural Fair, and Catalog sales.

Parents are also encouraged to participate on various school and district teams to ensure programs are consistent in meeting students' needs. Opportunities for involvement include:

- School Site Council (SSC)
- Student Study Teams (SST)
- English Learner Advisory Committee (ELAC)
- District English Learner Advisory Committee (DELAC)
- Parent Institute for Quality Education (PIQE)

Contributions by the following partners add to the programs available at West Putnam School:

- Porterville Police Department
- Tulare County Office of Education Excellence in Education Awards
- Porterville Education Foundation

Contact Information

Parents who wish to participate in the school's leadership teams, school committees, school activities, or become a volunteer may contact the main office at (559) 782-7280. The district's website (www.portervilleschools.org) also provides a variety of helpful resources and information for parents, students, staff, and community members. For the safety of our students, all volunteers are fingerprinted and cleared through the Department of Justice. Appointments are made with the school secretary.

2024-25 School Safety Plan

The safety of students and staff is a primary concern of West Putnam Elementary School. Teachers and other staff supervise students on campus before and after school and during recess, while staff supervisors monitor students during the lunch break. All visitors must sign in at the principal's office and get screened using Raptor System to be on campus. Visitors are required

2024-25 School Safety Plan

by the staff to display their pass at all times while visiting the campus. For the safety of our students, all volunteers are fingerprinted and cleared through the Department of Justice. Appointments are made with the school secretary.

The School Site Safety Plan was most recently revised on October 23, 2024 by the Safety Committee and is reviewed annually. Key elements of the plan focus on emergency preparedness. The school is in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Emergency drills are held on a regular basis; fire drills are held monthly, and earthquake and lock-down drills are held once each semester.

Professional Development

A constructive evaluation process promotes quality instruction and is a fundamental element in a sound educational program. Evaluations and formal observations are designed to encourage common goals and to comply with the state's evaluation criteria and district policies. Temporary and probationary teachers are evaluated annually and tenured teachers every other year, veteran teachers are evaluated every third year or as needed.

Evaluations are conducted by site administrators, who have been trained and certified for competency to perform teacher evaluations. Evaluation criteria include the following California Standards for the Teaching Profession (CSTPS):

- Engaging and Supporting all Students in Learning
- Understanding and Organizing Subject Matter for Student Learning
- Assessing Student Learning
- Creating and Maintaining Effective Environments for Student Learning
- Planning Instruction and Designing Learning Experiences for all Students
- Developing as a Professional Educator

Staff members build teaching skills and concepts through participation in conferences and workshops throughout the year. On Wednesday PUSD staff participate in professional development days, as well as ongoing training on how to effectively implement the new California standards and shifts in instructional strategies. Professional development is provided during early release Wednesdays. During the 2021-2022 school year, West Putnam partnered with the Kate Kinsella Team to organize a series of professional development centered around English Language Development for the first half of the year. In addition, staff members received training on Trauma Informed Practices and Positive Behavior Intervention Supports (PBIS). Selected teachers also received additional training in math, English Language Arts, and science provided by the district through contracted Tulare County Office of Education facilitators periodically during the school year as well as PD with the district coaches. In addition, dual immersion teachers had the opportunity to participate in CABE modules that target teaching in a bilingual setting. The entire West Putnam staff also participated in a coaching cycle on engagement and number sense routines with the district coaches. Also, seven dual immersion teachers participated in the Annual Two-way Dual Language Education (ATDLE) over the summer of 2022.

During this time, teachers are offered a broad-based variety of professional growth opportunities in the curriculum, teaching strategies, and methodologies. The school uses the Best Practices teaching strategies and teachers are trained in the techniques each year. The district also provides instructional coaching support to assist all teachers with the implementation of the new California standards and instructional strategies.

For additional support in their profession teachers may enlist the services of the district's Teacher Induction Program (TIP)
